

ISSS NORTH SEA
 HUB

September 8, 2022
11 am – 1 pm

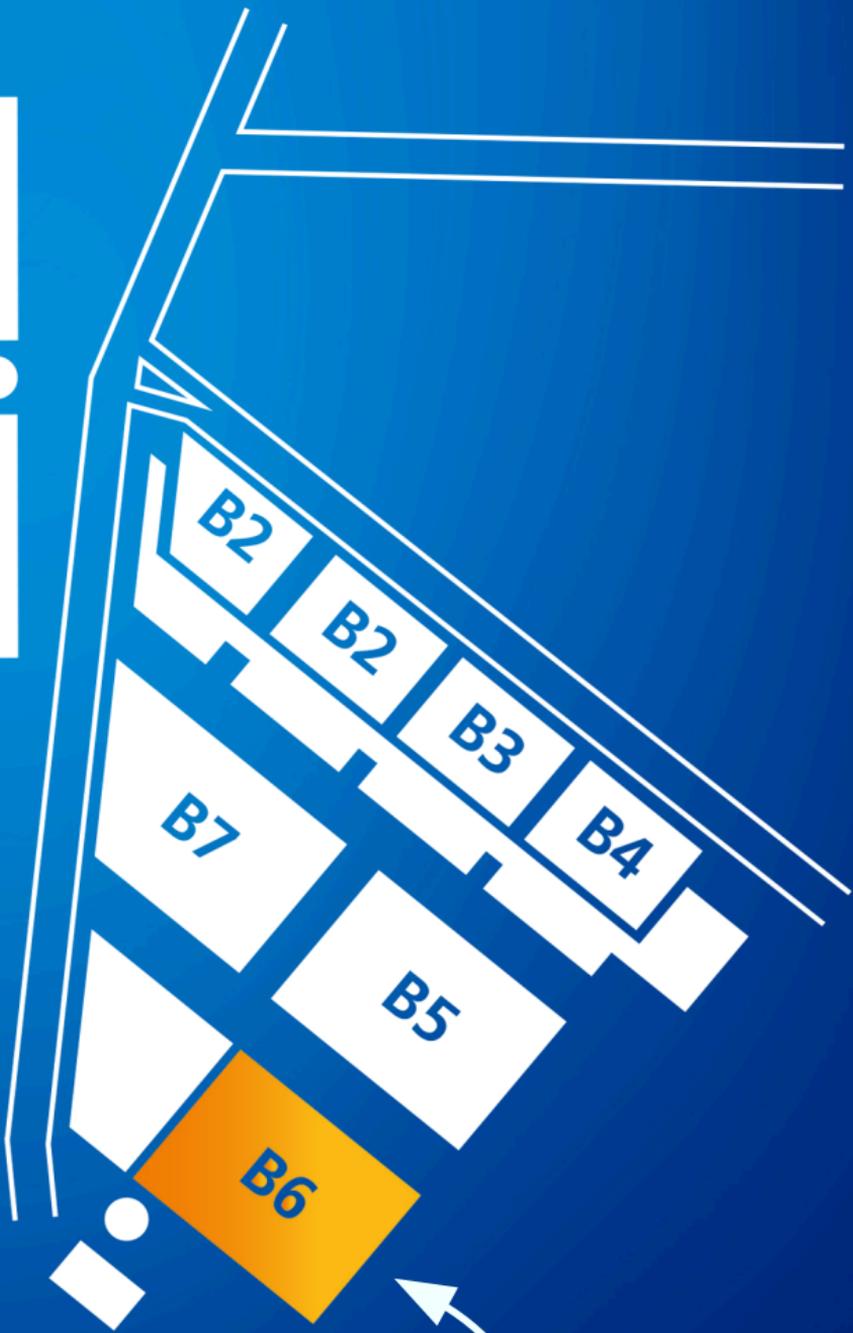

Meet & Greet

SMM

Hall **B6**
Booth **327**

- 10 European research associations started the joint Innovation Platform Sustainable Sea and Ocean Solutions ISSS to master innovative technologies for a sustainable blue economy.
- We'll launch the ISSS North Sea Hub focusing on topics relevant to the North Sea (e.g. Waterborne Transport) at the SMM.
- **Meet and greet us and be part of the hub where research and industry join forces!**
- **Register here:**
